

Tasmanian Teams of Three 2021

The 2021 Tasmanian Teams of Three event was held on Sunday 15 August 2021 at the TBA. In previous years Teams of Three events have been run as single session events. This is the first time it has been stepped up to a full day event. In teams of three, three less experienced players are teamed up with a more experienced captain, with each member of the team partnering with every other member during the event. Six matches of 8 boards were played across two sessions using a Swiss draw. The event was [scored in IMPS](#) converted to VPs.

Eighteen teams participated, with team members restricted to having fewer than 20 masterpoints. While most participants were locals we did have one team from Launceston, captained by Pam Lidl. For many of the participants this will have been their first experience of a [teams competition](#), and the first masterpoints earned by many! Congratulations to all who participated.

First place went to the team of Ian Bailey, Judy Hooley and Roger Hooley, captained by Phil Beck. Runners up were the Launceston team of Wendy Butler, Dennis Butler and Annette Keen, captained by Pam Lidl. Full results are available [here](#).

Thank you to the team captains who made themselves available for the event. Thank you also to Lynne Cooke who was the convener, but was unable to be there on the day, and to Julie Rhodes for filling in for Lynne in the final days of preparation. Thank you to Simon Edler for directing.
