## Jackpot

Each month throughout the year, on Jackpot night, the TBA will put aside \$1.00 per player towards the Jackpot prize fund.

Pairs that finish first or second on a Jackpot night will qualify for the Jackpot final in the section in which they played. Please note that players must have fewer than 150 masterpoints to qualify for the Blue Section Jackpot final.

The Jackpot finals will be held on the second Monday in December. This will be a red masterpoint event. The Jackpot prize fund will be divided equally between the two sections. Prizes will be awarded to first, second and third places in both sections.

## Novice and Restricted

For TBA state and local events novice means fewer than 25 masterpoints and restricted means fewer than 150 masterpoints.

For ABF events and national TBA events (ie Tasmanian Gold Swiss Pairs) novice means fewer than 100 masterpoints and restricted means fewer than 300 masterpoints.
