

Prepaid Table Money is here!

NEW!

Members have requested a more convenient way to pay the table money. As a first step the TBA is introducing booklets of prepaid table money vouchers.

Booklets contain 10 vouchers and cost \$80 or \$65 (Concession).

Booklets can be purchased from Directors *before* the start of a regular session, with cash or credit card.

Simply present a voucher at the table instead of cash.

Vouchers can be used in conjunction with cash for sessions with higher than normal table money. Vouchers cannot be used for discounted sessions.

Vouchers can be transferred between players (you can pay for your partner!). Vouchers are not redeemable for cash.
