

## Tasmanian Swiss Pairs 2021

The 2021 Tasmanian Swiss Pairs Championship was held across 20<sup>th</sup>-21<sup>st</sup> November at the TBA. This was the final state event for 2021. This event rotates annually between Hobart, Devonport and Launceston. The event consisted of 7 x 14 board IMP and VP scored matches. 26 pairs competed, including players from Launceston and Devonport. It was also great to see a number of less experienced pairs competing.

Sandra and Andrew Richman won the event, successfully defending their title from [last year](#). Second placed were Hugh Grosvenor and Julie Rhodes, while John Bailey and Hilton Francis came third. Full results are available [here](#).

Congratulations to the winners and to everybody for having a go. Thanks to Sue Falkingham for directing, Lynne Cooke for convening, and all who helped with the catering.
