

## TBA Novice Pairs Championship 2019

The 2019 TBA Novice Pairs Championship was held on Wednesday 16 October 2019. Entry was restricted to players with fewer than 25 Master Points as at 30 June 2019. The club rooms were close to full with 20 pairs competing in a separate section in parallel with the regular Wednesday morning session. The field included a number of pairs playing for the first time in a non-supervised session, including players from this year's beginners courses.

Congratulations to the winners, Sandra Miedecke and Alice Stillwell. Special mentions to Paul Fredheim (6th), Wendy Gilson (9th) and Lindsey Johnstone (9th) who earned their first Master Points in the event. Full results are available [here](#). Thanks to Sue Falkingham for directing the event.
